**Factiva Database**

Factiva contains full text articles and abstracts for leading business magazines, journals and newspapers. You can conduct keyword searches to locate articles on a particular topic, or, locate specific articles.

For example, if you were interested in locating about sovereign wealth funds, you might try the keyword phrase: “sovereign wealth funds”
There are 1,456 search results. To further narrow your search, you can choose from topics in the filter area to the left. So, if you wanted to see articles about sovereign wealth funds as they
relate to hedge funds, click on “hedge funds” on the left.

This narrows your search results to 53 articles. You could also enter in the search bar: “sovereign wealth funds” and “hedge funds” to achieve the same results.
To search for articles on a topic within a publication, click on “source.”
Type the name of the publication, in this example “Financial Times” in the search bar and then choose any of the top listings. Then run the search.
