LexisNexis Academic contains articles from newspapers and magazines from around the world. It is a key resource for news.

Go to "News" under the "Search" tab and select sources under the pull-down menu.
Put in search term, specify date range. The titles included in the source can be found by clicking on the “i” icon next to the sources.
Number of results will be shown in results page. Narrow down results by category of sources using left-hand menu. Expand each category to see specific sources by clicking on the "+" icon.
To find out whether or not a particular publication is included in the database or to search in a specific publication, go to the "Sources" tab and use "Find Sources".
